TAP Virtual Curriculum

The Department of Defense introduced a virtual delivery of the Transition curriculum in <https://www.tapevents.mil/courses> (Transition Online Learning, TOL). This resource provides service members who are unable to attend TAP training in person in a “brick and mortar” classroom with the means to obtain online instruction. Members and their families can participate in virtual curriculum at any time during their military career, however, only certain categories of personnel can use virtual curriculum to fulfill mandatory transition requirements.
